Meow. Woof. Chirp. Peep. Squeak.

Pet Franchises

Americans spend a lot to care for their animal family members. There's no denying the attraction of a franchise that involves working with cute animals all day. And making life easier for pet owners can be financially rewarding as well. Spending on pets increases year after year, with an estimated \$75 billion spent by Americans in 2019. Pet Franchises is the hottest Franchise category in 2020.

If you are a Pet business franchisor, your brand must be in this issue in order to get in front of investors and entrepreneurs, get more leads and sell more franchises. Franchise Connect Magazine can help you reach potential investors without spending more.
